# lino - Sticky & Photo Sharing

- lino is an online stickies service that offers stickies and canvases. You can post, see and peel off stickies on canvases freely.

# lino - Sticky & Photo Sharing

- A linoit board is a virtual free bulletin board which can be populated with online stickies. These stickies can have resources such **as videos, weblinks and images** added as well as text. You can organise the board in any way that you want

# lino - Sticky & Photo Sharing

- LinoIt is a great tool for a range of activities, including brainstorming activities as it allows users to put up as many sticky notes as they wish. Ideas posted can also be discussed with further notes. Another feature which can be especially useful for teachers is the possibility of selecting a due date for a certain sticky note which might include an assignment.
- **Cost:** free with registration

# jigsaw puzzle

- A jigsaw puzzle is a **tiling puzzle that requires the assembly of often oddly shaped interlocking and mosaiced pieces**. Typically, each individual piece has a portion of a picture; when assembled, they produce a complete picture.

# jigsaw puzzle

- Puzzles are great for **helping young brain develop and grow**. That's because the brain looks for patterns in our world — and puzzles are a true patterning activity. Patterning is also the foundation of reading, math and logic skills.
