C4 Short-term exchanges of groups of pupils

Meeting in Castro Daire, Agrupamento de Escolas de Castro Daire, Portugal

27th February – 5th March

Content

Students will create a comic strip on topics connected to the theme “Make it happen” bearing in mind the influence of the pandemic on the job market. What’s more, students will take part in working sessions about etwinning and good practices of entrepreneurship.

Teachers will be given the opportunity to get to know platforms to create interactive lessons so as to enhance the engagement of their students in their learning process.

Besides the above, the partners will learn about local history, landmarks, people and Portuguese gastronomy.

Objectives:

- Engage learners, teachers, and participating organisations in the path to digital transformation;
- Build critical understanding on how to exploit the opportunities offered by digital technologies for teaching and learning;
- Increase students’ foreign language skills;
- Promote problem-solving capacities;
- Improve students’ knowledge on career choices;
- Expand students’ entrepreneurial skills;
- Reinforce cooperation and understanding between participants with different cultural backgrounds;
- Exchange of good practices.

Methods: school visits, working sessions, seminars, workshops, teamwork.

Expected results:

- Innovative teaching methods to promote a more positive and involving learning environment;
- Collaboration on the etwinning project.
